BOOST YOUR BUSINESS IN 2023

Reach more customers through strategic marketing with HOME magazine and WLNI

As you plan your marketing strategy for 2023, meet with us to reach a wider audience with HOME magazine and WLNI. These two mediums offer a unique way to bundle your messages to reach a larger audience in different ways. Both are hyper local, focusing ads and content to our local community and both are targeted to adults with the disposable income to afford your products and services.

While HOME magazine allows you to **SHOW** potential customers your products and services, WLNI offers you the ability to **TELL** your story in your own voice.

Let's partner to boost your business! And you can experience success like Bass Sod Farm, Fortress Foundation Solutions, Kidd's Restoration and Cleaning Services and L.G. Flint.

"We've had a lot of feedback from folks who have seen us in the magazine and heard us on the radio. We actually just got one call the other week, one job, paid for a whole year's worth of our advertising. We're very, very pleased with our advertising."

I know we get a lot of people that hear our ads on the radio, plus they've got the magazine to go back to look it up.

Rich came to me with the idea of putting it on both (WLNI and HOME magazine) ... I thought that was a great idea, and we're 100 percent glad we did go that route."

W.B. Bass | Owner
 Bass Sod Farm

"We have been working with James River Media for over a year now and not only have improved our brand awareness, but we have seen direct results (almost a 300% ROI). It makes us smile when we hear customers say, "We heard your All Things Basementy ad on WLNI or we saw you in HOME magazine." The team at James River Media always makes us feel comfortable when we are working on our commercials or ads. They truly help take my thoughts and put them into reality, even when they are a bit ridiculous, they simply respond and say... YEP!"

Laci Harvey | Customer Care & Marketing Director
 Fortress Foundation Solutions

"Our company, Kidd's Restoration and Cleaning Services, has utilized both the HOME magazine and WLNI as an advertising medium for years. They effectively reach our customer base. This is always confirmed by the number of times I will run into people and they will say, "I saw your ad in the HOME magazine" or "I heard you on the radio." Both WLNI and HOME magazine are instrumental in what we want to achieve for our brand awareness."

HOME magazine hits the visual side of our advertising and WLNI obviously hits the listening side. They complement each other. I am a fan!"

Dan Taylor | Owner
 Kidd's Restoration and Cleaning Services

"We have people let us know all the time that they heard our ad on WLNI or saw our HOME magazine ad. Furthermore, we have noticed an increase in qualified leads indicating that they found us by our ads with James River Media. That lets us know our advertising dollars are working. We appreciate that we have a marketing platform combining radio and print advertising that focuses on our local market."

White Christmas

Audience Sing-a-Long

Lyric and music by

Irving Berlin

1. I'm dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten and children listen
To hear sleigh bells in the snow
2. I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be white
3. I'm dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten and children listen
To hear sleigh bells in the snow

Merry Christmas and Blessings to All!

Come, Celebrate With Joy, Tonight!

An anthem for the Christmas Season

Lyric and music by

Danny A. Moore

1. Come and celebrate, the time is here! Christmas,
season, full of hope and cheer. Hear the
laughter. See the wonder. Feel the spirit roar
like thunder!
2. Blessings, miracles for one and all! Treasures,
freely given, great and small. Sing Yuletide
carols. Ring Christmas bells. Good News they
herald. Every glad heart swells.
3. Shining in the night is a Star that will guide us.
Echoing delight is a song to abide us. Angels sing
from high above a song of peace and Love.
4. Come and celebrate a Baby's birth; Born for
every child of God on Earth. Join in the journey.
Hearts all unite. Dear friends and families come
with joy tonight. Come with joy tonight.

Merry Christmas
